Results pertain to samples received according to sampling procedures in SOP-065-NJ and relate only to items tested. All testing activities (except sampling) took place at the laboratory address listed on the transfer manifest. Serving size (g) has been determined by the laboratory unless otherwise specified. Serving size affects reported data where applicable.

Action limits set according to NJ Cannabis Regulatory Commission Resolution. Where statements of conformity are made ('pass' vs. 'fail'), the simple acceptance decision rule is applied. The measurement uncertainty associated with each

*MRL = Minimum Reporting Limit **dry-weight potency
